1.1 Goals

A path for transformation in global teaching.

Our Goal

Bring together teachers, coordinators, principals and education leaders from all around the world to build a network, share new ideas and learn from different educational models while embracing the Canadian culture.

Our Mission

To offer a professional development program abroad that promotes:

- A global vision and collaborative learning experience.
- Embracement of a foreign cultural and academic life.
- Networking.

1.2 Benefits

A path for transformation in global teaching.

Benefits for Teachers

- It is a program focused on educational leaders (teachers, coordinators, principals, school owners, etc.).
- Allows participants to interact, exchange ideas and professional experience with colleagues from all around the world creating new professional learning communities.
- Offers an opportunity to learn the latest trends in global education.

Benefits for your school

- Teachers will have the opportunity to build new professional learning communities.
- An opportunity for your school to be represented abroad.
- Gain the “Global Educators Summit Award”

International
Educators
Summit

scription.

1.3 Academic

Conferences

Education experts will talk about the latest trends in global education.

Workshops

A space created for participants to interact and apply new knowledge.

Symposium

Participants will be able to share their academic and professional experience with colleagues.

Cultural Challenge

Activities in which participants will create new professional learning communities. Will visit local schools and develop new projects.

A woman with dark hair, wearing a light-colored top, is smiling and holding a blue pen. She is standing in front of a group of people, whose heads and shoulders are visible in the foreground. The background is a blurred indoor setting with a tall lamp. The entire image is overlaid with a blue-to-purple gradient.
